EXPERIENCE

- SOFTWARE DEVELOPMENT INTERN**
Cyberscript IT Solutions Pvt. Ltd. **Sept 2025 – Present**
- Built reusable Angular components using service injection and component-based architecture.
 - Implemented responsive layouts with Bootstrap 5 grid; resolved cross-browser rendering issues.
 - Consumed REST APIs via Angular services to drive dynamic UI updates.
 - Debugged component lifecycle and data-binding errors across feature modules.
- CYBERSECURITY AND DIGITAL FORENSICS INTERN**
Cyber Secured India **Dec 2023 – Feb 2024**
- Gained exposure to cybersecurity fundamentals and digital forensics investigation workflows.

PROJECTS

- LEARNING MANAGEMENT SYSTEM (BRIGHTPATH)** **2026**
- Built a full-stack learning management system using ASP.NET Core Web API and Angular.
 - Implemented JWT authentication, role-protected routes, and Angular auth guards.
 - Developed CRUD modules for students, courses, and enrollments with SQL Server integration and Stored Procedures.
 - Applied layered backend architecture using controllers, services, and repositories.
- SANATANA YOGA INFORMATIONAL WEBSITE** **2026**
- Developed a responsive Angular website using HTML, CSS, and Bootstrap.
 - Designed structured navigation and reusable UI components.
 - Implemented FAQ and testimonial sections.
 - Connected newsletter form to Firebase Firestore with validation.
- FACIAL IMAGE DEEPFAKE DETECTION SYSTEM** **2024–2025** **2024–2025**
- Built a web-based manipulated facial image detection system using CNN and ViT.
 - Integrated Grad-CAM for prediction interpretability and region highlighting.
 - Used MediaPipe for face detection and preprocessing.
 - Integrated Flask backend with PostgreSQL for results and feedback storage.
- NORTHSTAR-ID AUTHENTICATION PROJECT** **2025**
- Built a Flask-based authentication system.
 - Implemented bcrypt password hashing and session handling.
 - Used SQLAlchemy with SQLite for database operations.
 - Applied server-side validation and sanitisation.

PUBLICATIONS

- Got an oppportunity to publish a research paper
“**TrueVision: A Vision-based Deepfake Detection System**” **2025**
ICLI 2025 Conference Proceedings, Atlantis Press (Springer Nature).

EDUCATION

- MMCOE (BE COMP.)** **CGPA: 8.04**
Savitribai Phule Pune University
Graduated: *First Class with Distinction* **Yr.2025**
